Re: SBCAPCD Rule 360 Certification Approval (#080)  
Patterson Kelley Hot Water Heater Model No. N2000-MFD Propane (VAFB Only)

Dear Mr. Savinsky:

We hereby grant Rule 360 Certification to the following:

- Patterson Kelley Hot Water Heater: Model No.N2000-MFD, Propane fired. VAFB Only

The above action is in accordance with the following:

- A. The United States Air Force has supplied a completed Form-APCD-14 along with all the required information for certification under APCD Rule 360 - including a source test report performed within 90 days of application submission for the unit/model above that indicates compliance with emission limits of APCD Rule 360.
- B. This certification is only valid at the VAFB stationary source when fired with propane fuel.

Please note that the APCD does not endorse or warrant any specific product or manufacturer. Modification of the products listed above will void this certification.

This certification is posted on our webpage at <http://www.sbcapcd.org/eng/Rule 360.htm>.

Feel free to contact me if you have any questions regarding this matter.

Sincerely,

Michael F. Goldman, Manger  
Engineering & Compliance Division
